

Nursing Facility Services

What is a Nursing Facility?

A nursing facility provides 24 hour care for rehabilitative, restorative and ongoing skilled nursing care to patients or residents in need of assistance with activities of daily living (ADLs) such as bathing, dressing, transferring, toileting and eating.

If I qualify, what services may I receive in a nursing facility?

Extensive help with:

- Eating
- Bathing
- Dressing
- Grooming
- Moving from one surface to another (transferring)
- Walking or using a wheelchair
- Toileting
- Changing positions in bed (bed mobility)

Other services:

- Residential care – 24 hour nursing care
- Rehabilitation
- Specialized services as determined through Level II determination
- Skilled Nursing

Who qualifies medically for long term care facility services?

People who:

- Meet the level of care criteria for admission to a nursing facility, **AND**
- Have an order from a physician licensed in Louisiana for admission into a nursing facility, **AND**
- Are screened prior to admission for a history or active treatment of mental illness and/or developmental disabilities according to federal regulations.

What are the 2012 income and resource limits for financial eligibility?

Income:	Resources:
<ul style="list-style-type: none">• \$2,094 for an individual (up to 3 times the SSI amount)• \$4,188 for a couple (when both spouses need long-term care)• If an individual is ineligible solely because countable income is over the cap amounts above, he/she may be considered under the Medically Needy Program * (see below)	<ul style="list-style-type: none">• \$2,000 for an individual• \$3,000 for a couple• \$113,640 in resources, as long as one spouse at home does not get long-term care.• These income and resource limits are subject to change each year.

* Under the Medically Needy Program, income must be less than the Medicaid rate for that facility, or the person may be certified on a month to month basis if his/her monthly income is over the Medicaid facility rate but below the monthly Medically Needy Income Eligibility Standard (MNIES) (\$100 urban, \$92 rural) after subtracting the Medicaid facility fee, any ongoing monthly medical expenses (i.e. Medicare Part B premium) or any nonrecurring medical expenses (i.e., prescriptions that are not paid by any medical plan).

Call your Parish Medicaid Office for further clarification.
